OFFICE OF PATENT

**PETITION REGARDING UNREACHABLE INVENTOR UNDER 37 CFR 1.47**

The first named inventor, Yin Cheng, for the above-identified application, has not been found, despite a diligent effort by the part of the firm of the undersigned and the assignee, Aether Systems, Inc. to locate her. An executed declaration including the signatures of the found co-inventors, Wilfredo Padin, Rongli Jiang and Andrew Fedorchek is filed concurrently herewith in response to the Notice to File Missing Parts mailed February 12, 2001.

The declaration and assignment have been mailed to Yin Cheng at the following addresses by U.S. Certified Mail, Return Receipt Requested and Federal Express. In both instances, the packages have been returned as "Addressee Unknown".

- (1) 1032 Saber Lane  
Herndon, VA 20170
- (2) 2053 Madrillion Road  
Vienna, VA 22182

The declaration and assignment have also been forwarded by e-mail to inventor Cheng at an e-mail address provided by one of her previous co-workers ([yicheng@hotmail.com](mailto:yicheng@hotmail.com)), however no response was received.

Finally, attempts to contact inventor Cheng at her last known phone number, (571)-633-0178, have been fruitless as well. According to Jasmine Stephens, of legal personnel at the Assignee, Aether Systems, Inc., there is a strong possibility that inventor Cheng has relocated to China, at an unknown address.
